

# How We Help the Library

---

Our group is committed to helping improve our library's facilities, programs and services. We've funded, in full or in part, many items that appeal to a diverse age group:

- Annual Summer reading program
- Early Literacy Station - Children's Computer
- Puppet theatre & puppets for pre-school story hour
- New shelving for children's area
- New magazine and newspaper shelving
- Award-winning children's books
- Major additions to adult collection
- Equipment for weekly teen movie nights
- Family Place Program

Since inception in 2003, our group has donated \$79,000.00 to the library.

# Friends of the Sealingrove Community Library

# 2010

## Who We Are

Friends of the Selinsgrove Community Library is a non-profit organization of volunteers whose mission is to:

- Raise awareness of the library's needs
- Support the library in developing improved programs, services and facilities
- Raise funds to accomplish these goals
- Advocate on behalf of the library; speak up for the library in our community
- Assist the library with special events

## Why does the library need help?

The library provides services for all ages in our community including programs for pre-schoolers, creative programming for teens, internet access for all ages, adult book discussion groups and many other resources and programs.

State and local funding are not enough to support all of the Library's wonderful programs. Therefore, the Library still relies heavily on private donations and support from our Friends group.

## What We Do

The Friends of the Selinsgrove Community Library is an active group that sponsors:

- Book sales
- Quilt raffles
- Sales of commemorative crocks
- Tree Fest of Children's Books
- Sale of Friends merchandise

## We Need You
