## Board Members Sought

Over the past two years Friends of Selinsgrove Community Library has developed into a strong well-organized unit with an effective group of volunteers working together and a greatly expanded membership. The past year has been a busy one. On-going initiatives include several successful fund raising efforts (book sales, commemorative crock sales, quilt raffle, etc.) which allowed us to donate funds to the library to purchase the first CD collection and display racks for the four Snyder County libraries.

We also partnered with the Kind Café for several events including a poetry reading. We are planning a Tree Fest for December and a One Book/One Community program for 2005. We also plan to organize a group of speakers to address civic organizations to familiarize them with Friends of the Selinsgrove Community Library and our mission.

The officers of Friends serve a two-year term and the time is nearly upon us to elect new officers for 2005. We need volunteers willing to assume a leadership position serving on the board of Friends. We feel Friends provides the library with worthwhile support and we very much hope you will consider working with us to continue this important effort.

Please feel free to call one of the numbers listed below if you have any questions. Of course we would be happy to meet with you at your convenience.
